- Medihelp may require additional proof other than the below.
- Only official bank statements on which the account holder's initials and surname are indicated, are acceptable. Please indicate clearly on the bank statements which payments (deposits/transactions) refer to your income.

5.4 Declaration by applicants who apply for enrolment on a network plan (Prime1 Network, Prime 2 Network, Prime 3 Network and Necesse)

I confirm that I am aware of the following:

1. I will be liable for co-payments if I do not use Medihelp's hospital network, designated service providers (DSPs) and formulary medicine.
2. I must register my prescribed minimum benefit (PMB) condition with Medihelp and my PMB chronic medicine must be pre-authorised by Medihelp. Medihelp uses a DSP for PMB chronic medicine and a formulary applies. I will be responsible for a co-payment* on my PMB chronic medicine should I fail to obtain this medicine from the DSP or deviate from the formulary for my plan.
3. My treating specialists should form part of Medihelp's DSP specialist network in order to prevent co-payments on PMB treatments.
4. I must use Medihelp's hospital network for all planned hospital admissions. If there is no network hospital available near my place of residence, I will need to travel to the nearest network hospital to obtain medical services. If I use a non-network hospital instead, I will be liable for a co-payment*, unless the treatment required is in respect of an emergency medical situation** which warrants the involuntary use of a non-network hospital. I further note that in an emergency medical situation, authorisation for the hospital admission should be obtained on the first workday after the admission if I am unable to obtain the authorisation on the day of admission.

*** Please refer to your plan's guide/brochure for all applicable co-payments.**

****Please refer to your plan's guide/brochure for the definition of an emergency medical condition.**
