**5.2 Students – MedElect only**

Please provide proof of your enrolment as a student. Proof of your monthly income may also be requested.

- Acceptable proof of enrolment as a student is proof of registration for studies on an official letterhead of the tertiary institution or vocational training college where you are registered as a student.
- Acceptable proof of income, should Medihelp request this, is the past three months' official bank statements containing the initials and surname of the account holder and reflecting your income. Other additional proof of income may also be required.

**5.3 Utilisation of savings account funds**

**MedAdd, MedAdd Elect and MedSaver**

Please indicate your preference. If you do not select an option, Medihelp will pay all qualifying medical expenses from your savings account:

- Pay all qualifying day-to-day and hospital related medical expenses from my savings account.
- Pay only selected qualifying day-to-day medical expenses from my savings account (excluding certain in-hospital expenses such as co-payments).

**MedPrime, MedPrime Elect and MedElite**

- If you enrol on the MedPrime, MedPrime Elect or MedElite plan, all qualifying day-to-day medical expenses will be paid from your savings account first.

**5.4 Declaration by applicants who apply for enrolment on MedMove!, MedVital Elect, MedAdd Elect, MedPrime Elect or MedElect**

I confirm that I am aware of the following:

1. I will be liable for co-payments if I do not use Medihelp's hospital network, designated service providers (DSPs) and formulary medicine.
2. I must register my prescribed minimum benefits (PMB) condition with Medihelp and my PMB chronic medicine must be pre-authorized by Medihelp. Medihelp uses a DSP for PMB chronic medicine and a formulary applies. I will be responsible for a co-payment\* on my PMB chronic medicine should I fail to obtain this medicine from the DSP or deviate from the formulary for my plan.
3. My treating specialists should form part of Medihelp's DSP specialist network in order to prevent co-payments on PMB treatments.
4. I must use Medihelp's hospital network for all planned hospital admissions. If there is no network hospital available near my place of residence, I will need to travel to the nearest network hospital to obtain medical services. If I use a non-network hospital instead, I will be liable for a co-payment\*, unless the treatment required is in respect of an emergency medical condition\*\* which warrants the involuntary use of a non-network hospital. I further note that in a medical emergency, authorisation for the hospital admission should be obtained on the first workday after the admission if I am unable to obtain the authorisation on the day of admission.

\* Please refer to your plan's guide/brochure for all applicable co-payments.

\*\* Please refer to your plan's guide/brochure for the definition of an emergency medical condition.

- Dependent own children (of the applicant and spouse/partner).
- Dependent stepchildren (of the applicant and spouse/partner).
- Adopted children/foster children/children in temporary safe care/children born in terms of a surrogate motherhood agreement (of the applicant and spouse/partner). Should my employer/institution, as my authorised agent, undertake to pay my contributions to Medihelp, I give permission to my employer/institution to deduct the amount payable to Medihelp from my salary and pay such amount over to Medihelp. I furthermore give permission that Medihelp may provide the following information to my employer/institution in order to pay contributions: my identity number, my tax certificate information, as well as my dependants' dates of birth, ages and relationship. I am also responsible for repaying any debt outstanding on my medical savings account, if applicable, should I terminate my membership of Medihelp.

Medihelp shall continue to apply a late-joiner penalty that was applied on a beneficiary during the initial enrolment. Medihelp may finalise my membership without issuing a document containing the conditions of my membership in the event that no waiting period and/or late-joiner penalty is imposed.
14. I am also aware that Medihelp may restrict benefits to be granted and limit amounts/tariffs to be paid in respect of particular services, for example by enforcing co-payments and exclusions.
15. Medihelp's Rules may provide for various interventions designed to promote cost-effectiveness and appropriateness of services, such as pre-authorisation and using designated service providers.
16. Medihelp may also restrict interchanges between benefit plans to the beginning of a year, and require a notice period as set out in the Rules.
17. Medihelp may refuse to pay a claim that is submitted after the period as prescribed in the Rules.
18. I am further aware that my benefits may be suspended should I not pay my contributions or debt in full, that my membership may be terminated should any amount still be outstanding 30 days after the date of suspension, and that my account will be handed over for collection.
19. I am aware that Medihelp may increase its contributions annually at the beginning of the year.
