IN-HOSPITAL BENEFITS

The following benefit categories form part of the aggregated OAL of **R232 000.**

GAP COVER
This covers the difference (the shortfall or the gap) between what the Medical scheme pays and what the doctors and specialists charge in hospital. We cover claims up to **500%** above scheme rate or at the stated benefit value.

For Robotic surgery claims that are reflected on the hospital account, we will cover up to a sub-limit of **R15 000** per policy per annum.
Subject to OAL.

CO-PAYMENTS AND CO-PAYMENTS CHARGED AS A PERCENTAGE
The Co-payment cover is for the co-payments (including co-payments expressed as a percentage), excesses or deductibles **as stipulated or imposed by a Medical scheme, for specified procedures, cover for hospital admission fees or surgical procedures.** The co-payment must be part of your Medical scheme rules which will be highlighted on the authorisation for your procedure. **Subject to the OAL.**

Refer to the Cancer Co-payment benefit for claims related to cancer.

PENALTY FEE
When you choose to use a hospital that is not on your Medical scheme's network, you may have to pay a stated amount or percentage of the accounts as specified by your Medical scheme rules.

This benefit has a sub-limit of **R16 000** per claim, with a maximum of **1 claim** per policy per annum irrespective of whether a rand amount or percentage penalty fee is charged by the Medical scheme. Note that this is for the voluntary **use of a non-designated service provider or network hospital and includes the use of a partial cover network hospital.** Co-payments for administration charges are specifically excluded from cover on this option. **Subject to the OAL.**

DAY HOSPITAL/CLINIC AND/OR IN-ROOM SURGICAL PROCEDURES COVER
This benefit will cover the shortfall for any day hospital, clinic or in-room procedures including acute hospitals if a policyholder elects to have the treatment that would normally be performed in hospital, done in a day hospital, clinic or in a doctor's room by a registered medical professional.
Subject to the OAL.

PRESCRIBED MINIMUM BENEFIT (PMB) COVER
The Prescribed Minimum Benefits (PMB) give all scheme members access to certain minimum health benefits, regardless of your Medical scheme option. Medical schemes are required to pay the full cost of diagnosis and treatment of a defined list of PMB medical conditions.

PMB Cover on this policy is only for the shortfalls resulting from the voluntary use of a non-designated service provider for a planned PMB procedure. This is not applicable in the event of an emergency. In the event of an emergency, PMB protocols should be adhered to.
Subject to the OAL.

HOSPITAL ACCOUNT SHORTFALLS
This benefit will cover any charges, like consumables on the hospital account that the Medical scheme has not paid. We also cover take-home medication (TTOs) that the Medical scheme has not paid from risk and the cost of upgrading to a private ward up to the benefit amount.

We pay up to **R5 000** per policy per annum at **R950** per claim. A **R1 200** sub-limit is applicable to private room upgrades/or direct family boarder fees. **Subject to the OAL.**

SUB-LIMIT ENHANCER
This benefit has a sub-limit of **R32 000** per policy per annum. This benefit caters for all sub-limits. We will provide cover when there is a benefit on your Medical scheme option for devices like MRI & CT Scans, Cochlear implants, Intraocular lenses, Internal prosthesis and Trans-Catheter Aortic valve implantation (TAVI) procedure valves. When you exceed your Medical scheme benefit limit during the time of the event, resulting in a shortfall or "gap", we will pay the shortfall depending on the gap option you are on. If you claim and your Medical scheme limit has been reached at the time of the event, meaning it was used up before the claim event, and your Medical scheme does not contribute anything towards this benefit, we will not pay. **Subject to the OAL.**

RESILIENCE IS RARE **#FUTUREBUILT**
